About ExploreLearning

ExploreLearning offers a catalog of modular, interactive simulations in math and science for teachers and students in grades 6-12. [We call these simulations Gizmos](#). Gizmos are fun, easy to use, and flexible enough to support many different teaching styles and contexts. Our Gizmos are designed as supplemental curriculum materials that support state and national curriculum standards; in addition, Gizmos help teachers bring [research-proven instructional strategies](#) to their classrooms. ExploreLearning has received critical acclaim from *District Administration* magazine, Macromedia, the Webby Awards, and the Eisenhower National Clearinghouse.
